

Swimming Pool Rules and Guidance

The swimming pool is available during the dates as advertised when your booking was placed.

The pool may be used from 8am to 8pm between 1st May to 31st September. Please respect the neighbours during evening hours, keeping noise at an acceptable level.

Children must not be left without supervision and adults must not swim alone.

Please shower and rinse before using the swimming pool.

Any person suffering from a known serious medical condition (e.g. heart disease, severe circulation problems, epilepsy or respiratory problems) should not use the swimming pool.

The pool is fully treated and serviced; guests should not add any chemicals. Do not use the swimming pool if you notice any deterioration or discolouration of the water. Contact the property manager in the welcome guide and stop anyone from using the pool until it has been checked.

No running, no jumping, no diving. The pool is one consistent depth and does not have a diving end.

Do not consume alcohol before or during swimming pool use.

Do not use the swimming pool while using narcotics or other medication that may cause sleepiness, drowsiness, or raise/lower blood pressure.

Keep any electrical appliances away from the pool.

Please note, no animals or pets are allowed in the pool. If any additional filtration cleaning is required because this is not adhered to, additional charges will be incurred.

All guests use the swimming pool at their own risk.

The pool is for private guests use only.

Ensure all guests are aware of the above guidelines and safety information that we have provided.

Thank you for your cooperation and understanding. We hope you enjoy using the swimming pool!
